## Camp Kipwe

(9 bush bungalows, 1 suite)

'Kipwe', meaning blessed in Swahili, is nestled in the boulders, facing out onto superb scenery. Incorporating boulders, small red basalt rocks and mopane branches, it has a natural organic feel.

The nine rooms are round in shape, with large outside decks to admire the view. The outside, partially open bathrooms adjoining the twin bedded rooms have boulder, cement and rock walls, and roofs of rough mopane branches. Hot water is supplied by wood-burning 'donkey' boilers. The luxury suite provides even more elegance, space and style for discerning guests.

### Suite:

The luxury elevated, air-conditioned thatched suite has a private lounge equipped with a satellite television, a double room with en-suite open air bathroom and minibar with drinks included. Special offers for longer stays!

The central area of the camp is raised and comprises four thatched domes; the reception area and curio shop, dining room, lounge and bar and guest toilets all with amazing views toward the Aba Huab riverbed.

An outside boma area is an additional venue for dining or relaxing. The central lounge and dining areas are furnished in a colourful, relaxed African style inviting guests to linger and appreciate the views. Rough-hewn chunks of wood are used as small tables and woven lights hanging elegantly from the thatch roofs complete the picture. A small swimming pool built into the rocks and a viewpoint with 360 degrees of breath-taking beauty, are two attractive outdoor features.
